 The PDHPE & CAFS Podcast

ABOUT KELLY

For the last 12 years I have been supporting teachers and their students through HSC Revision Days; co-authoring two textbooks; President of a PL Organisation; HSC Marker and Judge; and as the NSW HSC Supervisor of Marking for Community and Family Studies 2018-2022. My dream to help teachers full-time became a reality when I left the classroom in July 2020! These days I support thousands of Community and Family Studies & PDHPE teachers, plus K-12 teachers in Formative Assessment and inside The Learning Network.

My mission:

To provide all of the support, encouragement, resources and information you need to help your students succeed without compromising your precious time, energy & wellbeing in the process!

MORE ON THE MEMBERSHIP

As your Coach and Mentor, CAFS teachers within the membership will have my full support. I will share the strategic and purposeful applications that I have adopted to increase student motivation, enjoyment, engagement and results; right from the very beginning of Year 11 into Year 12 CAFS.

TEACHING STANDARDS

The CAFS Collective will contribute 12+ hours of NSW Education Standards Authority (NES) Elective PD in the priority area of Delivery and assessment of NSW curriculum addressing standard descriptors 2.1.2, 2.4.2, 3.3.2, 6.2.2 and 7.4.2 from the Australian Professional Standards for Teachers towards maintaining Proficient Teacher Accreditation in NSW.

The CAFS Collective Membership Proposal Email

Dear (HT/Cord/Deputy/Admin/Principal),

I would love to firstly say how much I am loving teaching CAFS to our wonderful students. I am thoroughly looking forward to continuing to teach Community and Family Studies.

To further improve my knowledge, understanding and skills about Community and Family Studies; I have come across a fabulous opportunity to connect with like-minded teachers across NSW and to have ongoing support in my journey as a CAFS teacher.

Highly experienced PDHPE teacher, presenter, author and HSC marker of 16 years; Kelly Bell has a membership for HMS teachers called The CAFS Collective Membership. I would thrive off ongoing coaching and mentoring in my experience as a CAFS teacher in order to build my confidence, connections and collaboration.

When I join The CAFS Collective Membership I will get access to ongoing support from Kelly over the next 12 months online via Zoom during my own time after school as well as access to so many tangible and time saving classroom resources, activities and ideas to support our CAFS students here at school.

Kelly has 20 years experience as an author, presenter, curriculum developer, coach and educator in PDHPE & CAFS. She has supported thousands of PDHPE teachers and their students over the years and her thriving CAFS membership has over 90 members to date. Kelly was also the CAFS HSC Supervisor of Marking from 2018-2022 so she certainly knows what it takes to get good HSC results and how to help students improve.

I would love your approval for me to join this phenomenal resource. It is just \$497 for a membership with 12 months of access to a steady stream of new teaching resources plus online coaching and mentoring alongside other Community and Family Studies teachers all across NSW.

Thank you for your ongoing support, I cannot wait to be part of a community like this.

Kind regards,

(CAFS teacher)

The CAFS Collective Membership Proposal Chat

Hi (insert HT/Cord/Deputy/Admin/Principal name).

I know you are super busy, but I was wondering if we might be able to have a quick chat today please about a fantastic opportunity to improve my practice as a CAFS teacher.

Teaching CAFS has been such a highlight for me and I want to get even better in the classroom for our students. I have been looking at a really great opportunity to join a membership for CAFS teachers.

When I join I will get ongoing support in CAFS from a CAFS expert with 20 years as a teacher, presenter, author and HSC marker of 16 years. She was also the CAFS HSC Supervisor of Marking from 2018-2022, so she certainly knows what it takes to get good HSC results and how to help students improve.

Kelly has worked with 1000s of PDHPE & CAFS teachers across NSW and her members have had a lot of success from everything she has shared and taught them.

It is a super practical resource that will make a huge difference to our students, but also support my time, energy and wellbeing as a teacher. Her resources will support our strategic plan as well by improving student outcomes and HSC results in the CAFS course.

It is only \$497 to join for members and it is delivered in my own time.

I would love your support in joining.

The CAFS Collective Membership Proposal Phone Call

If you are a bit unsure about me joining or what is involved, Kelly can have a quick chat with you on a Zoom. Her hours are flexible and can work around your schedule.

Can you please let me know what day and time works best for you so I can arrange for her to call you?

Thank you for your support.
