 The Learning Network Podcast

ABOUT KELLY

I have been teaching Community & Family Studies since 2004, and early on I realised that CAFS teachers needed (and wanted) more support and I did all I could.

I have co-authored two textbooks, presented numerous study sessions and mentored teachers at professional development days and conferences for over 10 years.

These days I support thousands of CAFS teachers and their students inside The Learning Network.

My mission:

To provide all of the support, encouragement, resources and information you need to help your CAFS Crew succeed without compromising your time & wellbeing in the process!

MORE ON THE MEMBERSHIP

As your Coach and Mentor, CAFS teachers within the membership will have my full support. I will share the strategic and purposeful applications that I have adopted to increase student motivation, enjoyment, engagement and results; right from the very beginning of Year 11 into Year 12 CAFS.

TEACHING STANDARDS

The CAFS Collective will contribute 12+ hours of NSW Education Standards Authority (NESA) Elective PD in the priority area of Delivery and assessment of NSW curriculum addressing standard descriptors 2.1.2, 2.4.2, 3.3.2, 6.2.2 and 7.4.2 from the Australian Professional Standards for Teachers towards maintaining Proficient Teacher Accreditation in NSW.
